Coverage: **1.98sqm**

## Product Benefits

- ✔ Decorative - With the appearance of natural wood.
- ✔ Provides warmth that promotes good health.
- ✔ Highly durable - Our floor laminates are able to weather high traffic and UV resistance to avoid discoloration.
- ✔ Affordable - Require low maintenance cost: Cleaning requires a damp mop without the need for soap or any abrasives for polishing.
- ✔ Easy and Fast to Install as a DIY (Do it Yourself) project.
- ✔ Glue - free system - The tongue and groove click together perfectly without visible joints.
- ✔ Re-usable - They can be easily dismantled and transferred to another location or placed on top of ceramic tiles.
- ✔ Termite Resistant - Made of Tropical hardwood high-density fiber with low sugar content greatly resilient to termites.
- ✔ Moisture Resistant - Have an overlay that protects your floor from wear and tear and acts as an additional moisture resistance layer.
- ✔ Minimum squeaking sound upon installation.

## Typical Applications

- ✔ Residential and home extension buildings.
- ✔ Commercial apartments.
- ✔ Administration building and offices.
- ✔ Restaurants.
